

CLOS DU MARQUIS

2024

TERROIR

Crafted since 1902, Clos du Marquis finds its roots in the Petit Clos, adjacent to Château Léoville Las Cases, home of the Marquis de Las Cases. Today, the core of the Clos du Marquis terroir stretches over the plateau of Saint-Julien, 20 meters above sea level and surrounded by some of Bordeaux's most celebrated Second Growths. It lies 500 meters west of the Grand Enclos of Las Cases. These 40 hectares are composed of Quaternary gravel soils, older and finer than those of the Enclos. In this area, the vineyard sits on humic podzols over sandy-clay gravel. The high organic matter content on the surface, a legacy of the land's forested past, further contributes to Clos du Marquis's typical Saint-Julien character.

VINTAGE 2024

The 2024 vintage highlights the resilience of the vines and the dedication of our technical teams in the face of a challenging growing season. A wet winter built up valuable water reserves, followed by a rainy spring that required constant vigilance against mildew. The drier months of July and August allowed the berries to ripen nicely. Harvest was carried out with precision, along with rigorous sorting. The Merlots shine with brightness and richness, while the Cabernets deliver structure, depth, and elegance. 2024 was a vintage that was shaped with care and precision, revealing a full, noble expression of Saint-Julien.
